

DURHAM JOINS TOGETHER
To Save Lives

Housing Committee – Meeting Agenda

Friday, May 22, 2026

1:00 PM - 2:00 PM

1. Introductions
2. Welcome Von Chreiman, Fishing Point Healthcare
3. Review status of documentation for DSS from Oxford House and Just a Clean House Discuss outreach to other group homes that may also need to register as vendors with DSS/Durham County
4. Review pending action items:
 - Paula and Timeka will contact Dennis Garret, Jr. to discuss MOUD restrictions at Love and Respect, and to offer naloxone kits and naloxone signs.
 - Katie plans to open 2 more houses for women and one duplex that may accept men taking MOUD.
 - Carlyle will find out whether Alliance can continue funding rental assistance to Oxford House residents in FY26 and whether the program could be expanded to other housing agencies.
 - We will ask Carlyle about Alliance's other housing assistance options, including the ILI program and SAIOP. Of concern is the lengthy time frame for approval and lease requirements.
 - On Hold
 - Helen will make the edits recommended by DCoDPH interpreters to Lisa's Spanish naloxone sign. She will then print copies, laminate the signs, and give some copies to Lacie.
 - Julia will reach out to Lisa and ask her to format the DRM protocol/flowchart for residents who need to be relocated because of MOUD. Then Julia will bring copies of the formatted protocol to DRM.
