Housing for Homeless People

AGENCY NAME	AGENCY/SERVICE DESCRIPTION	CONTACT INFORMATION/ HOW TO APPLY	POPULATION SERVED	CAPACITY/ LENGTH OF STAY	ADMISSIONS CRITERIA	MOUD* ACCEPTED	PAYMENT
Urban Ministries of Durham (UMD)	UMD offers food, shelter, and case management to homeless men, women, and children. In collaboration with their case manager, each person makes a Housing Plan -- a series of goals that need to be accomplished to leave the shelter for their own apartment. People working toward their Housing Plan goals can stay in the shelter as long as they need, typically one to three months. Case managers offer referrals to partner service providers in the community, who help with goals such as finding a job with the help of a job coach, improving literacy, resolving legal issues, getting physical health and mental health care, and others. Resources available include a clothing closet open from 10:00am-12:00pm on Tuesdays. Breakfast is served from 8:00am-9:00am M-F. Bagged lunch is handed out directly following breakfast. On weekends, breakfast is served from 9:30am-10:30am with lunch being served at 12:30pm-1:30pm. Dinner is served from 6:00pm-7:00pm daily.	410 Liberty St. Durham, NC 27701 (919) 682-0538 (ext. 5288) https://umdurham.org To apply, you must contact Entry Point Durham at (984) 287-8313 and set up an intake. Entry Point Durham is located at Durham Department of Social Services (DSS) at 414 East Main Street, Lobby 27, 2nd Floor. Clients are placed on a list and allocation to the shelter may take up to a week.	Men, women, and children who are homeless This residence is wheelchair accessible. There are ramps and lowered beds. Service animals are allowed but not emotional support animals.  LGBTQ+ safe and affirming**	UMD's Community Shelter has 50 beds for men, 14 for women and 8 family rooms with a total of 32 beds for parents and their children. Length of stay is typically one to three months but can be as long as needed.	Durham residents seeking shelter; Must not have a criminal record of sex offense or arson; Within the first 14 days of staying at the shelter, clients must complete an assessment with a case manager to be referred to recovery services such as counseling and medication; Residents are not required to sign a lease.	Individuals taking any type of prescribed medication for opioid use disorder (MOUD) are accepted.	No cost
Families Moving Forward (FMF)	Families Moving Forward helps families in the crisis of homelessness find their way home. It provides temporary housing and food, case management, skills education, and connection to community resources to help parents and children thrive in stable homes. The facility currently provides emergency shelter and supportive services for up to three months. Case management staff meets with every family to set family goals that address educational, vocational, health and emotional needs. Individuals using substances will be assessed to determine the need for substance use disorder treatment/services and any recommendations for treatment/services. Case management is continued for up to 12 months after families exit the emergency shelter program to ensure guests' long-term stability and prevent returns to homelessness.	300 N. Queen Street Durham, NC 27701 (919) 683-5878 https://fmcnc.org To apply, families must go through a four-step process: 1. A family must contact Entry Point Durham (EPD) at (984) 287-8313 and set up an intake. Entry Point Durham is located at Durham Department of Social Services (DSS) at 414 East Main Street, Lobby 27, 2nd Floor. 2. The family will then complete a Diversion assessment. 3. If it is determined that the family is still in need of shelter, a referral will be made to FMF. 4. When space is available, the family is screened for entry into the Emergency Shelter at FMF.	Homeless families with children This residence is wheelchair accessible. 	The facility houses 21 families at a time. Length of stay is up to 3 months.	Screening for initial need and referral is completed by EPD staff; Each household must have at least one child under the age of 18 and must meet the definition of homelessness through the HUD guidelines; Caregivers must have documented proof that they are legal guardians of any child in their care; Must also provide income information: families typically have little to no income and are usually between 30-60% area median income (AMI); Must not have a criminal record of sex offense or arson; Residents are not required to sign a lease.	Individuals taking any type of prescribed MOUD are accepted.	No cost

Housing for New Hope (HNH): Supportive Housing	Housing for New Hope's Supportive Housing programs offer short-term and long-term options that are community-based with partner landlords, as well as long-term options on HNH-operated campuses. Clients must be experiencing homelessness to qualify for short-term options. To qualify for long-term options, clients must have experienced long-term homelessness and have a disabling condition. Community-based options work with more than 30 partner landlords throughout the community to connect clients with appropriate units. Campus-based options currently include Andover Apartments and Williams Square Apartments. Clients have their own lease and work with a Housing Stability Coordinator to connect to resources in the community that will help them meet their goals.	Contact Entry Point Durham (984) 287-8313 https://housingfornewhope.org To apply, you must contact Entry Point Durham at (984) 287-8313 and set up an intake. Entry Point Durham is located at Durham Department of Social Services (DSS) at 414 East Main Street, Lobby 27, 2nd Floor.	Men, women, and families with children who are homeless Some of the housing options are wheelchair accessible. 	Andover and Williams Square have a total of 44 single efficiency apartments for men and women. Community-based options work with more than 30 partner landlords throughout the community who provide housing for individuals and families. Housing can be long-term or short-term.	Homeless or at risk of becoming homeless; For Andover and Williams Square, applicants must have a disabling condition and household income must not exceed 50% of area median income; Admission of individuals with criminal backgrounds are decided on a case-by-case basis; Residents are required to sign a lease.	Individuals taking any type of prescribed MOUD are accepted.	Andover and Williams Square Apartments: 30% of income; Community-based options vary.
Housing for New Hope (HNH): Affordable Housing	Housing for New Hope's affordable housing opportunities offer options to households earning at or below 50% AMI to secure long-term housing on an HNH-owned and operated property. Cole Mill Place primarily serves families and does not offer supportive services. Carver Creek primarily services single individuals and offers supportive services to some residents.	18 West Colony Place Suite 250 Durham, NC 27705 (919) 489-6282 https://housingfornewhope.org To apply, call 919-489-6282 to connect with the HNH Property Management group to check on availability.	Men, women, and families with children who are homeless Some of the apartments are wheelchair accessible. 	Cole Mill Place has 10 apartment units for families with children. Carver Creek has 48 apartments for men and women. Housing can be long-term; there is no limit on length of stay.	Household income must not exceed 50% of area median income; Registered sex offenders are not accepted; Individuals with other criminal backgrounds are decided on a case-by-case basis; Residents are required to sign a lease.	Individuals taking any type of prescribed MOUD are accepted.	Cole Mill Place: \$1000/month for 2-bedroom and \$1200/month for 3-bedroom; Carver Creek: \$1180/month for 1-bedroom
Durham Rescue Mission: Homeless Shelter for Men	The Durham Rescue Mission's men's program provides food, shelter and other programs and services to homeless men. The program offers safe shelter, three meals a day, clean clothing, Biblical counseling, financial planning, vocational training, GED/education and employment assistance. The Victory Program is the Durham Rescue Mission's 12-month holistic program designed to help people recover from substance use disorder and return to the workforce investing back into the community. The first phase of the Victory Program is a six-month period where residents receive in-depth instruction in areas critical to building a solid foundation of lasting success as they overcome substance use disorder. All classes are geared toward the message of hope through Christ and the reshaping of the paradigm of how to handle the pressures and pains of life. During the second phase of recovery, residents learn skills and trades they can incorporate into future careers. In the third phase, men in the Victory Program will continue their recovery in a supportive environment — all while establishing solid employment through apprenticeship in one of the Durham Rescue Mission departments.	1201 East Main St. Durham, NC 27701 (919) 688-9641 https://durhamrescuemission.org To apply, arrive at 1201 East Main Street with photo ID, or call (919) 688-9641.	Men who are homeless This residence is wheelchair accessible. 	The shelter has 388 beds with an additional 88 mats for emergency situations. Length of stay can vary from months to years.	Must provide a photo I.D. within 30 days of your acceptance into the DRM program; Willing to fulfill a 40 hour per week service assignment as part of the DRM program; No sex offender of any type (pending, charged, registered and/or any other sex related offenses) will be permitted to check in; Must be willing to abide by all rules, regulations, and policies established by the Durham Rescue Mission; Residents are not required to sign a lease.	Individuals taking methadone or medications containing buprenorphine (Suboxone, Subutex) are NOT accepted. Individuals taking naltrexone are accepted.	30% of income/ not to exceed \$400 a month

Durham Rescue Mission: Homeless Shelter for Women and Mothers with Children	The Durham Rescue Mission's women and children's shelter, known as the "Good Samaritan Inn," offers safe shelter, three meals a day, clean clothing, Biblical counseling, financial planning, vocational training, GED/education and employment assistance. The Victory Program is the Durham Rescue Mission's 12-month holistic program designed to help people recover from substance use disorder and return to the workforce investing back into the community. The first phase of the Victory Program is a six-month period where residents receive in-depth instruction in areas critical to building a solid foundation of lasting success as they overcome substance use disorder. All classes are geared toward the message of hope through Christ and the reshaping of the paradigm of how to handle the pressures and pains of life. During the second phase of recovery, residents learn skills and trades they can incorporate into future careers. In the third phase, women in the Victory Program will continue their recovery in a supportive environment — all while establishing solid employment through apprenticeship in one of the Durham Rescue Mission departments.	507 East Knox St Durham, NC 27701 (919) 688-9641 https://durhamrescuemission.org To apply, call (919) 688-9641. Oxford House	<p>Oxford House is a network of self-run, self-supported, drug-free recovery houses. Oxford Houses offer long-term housing options for individuals in recovery from substance use disorder. Individuals typically enter an Oxford House after completing a substance use disorder treatment program, but it is not required. Residents must be substance free upon joining the household and are expected to participate in a 12-step recovery program during their residence. Houses operate democratically, electing house officers who serve six-month terms. Housing can be long-term; there is no limit on length of stay. A recovering individual can live in an Oxford House for as long as he or she does not drink alcohol, does not use drugs, and pays an equal share of the house expenses.</p>	<p>For general information on Oxford Houses in North Carolina, call Barbara Kidder at (336) 250-9370 or visit https://oxfordhousenc.com. For the address, phone number, and vacancies listing of each Oxford House in Durham, visit https://www.oxfordvacancies.com. For funding assistance with entrance fees and first month's rent, contact monica.washington@oxfordhouse.org.</p> <p>Fill out an application online at https://www.oxfordvacancies.com/applyOnline.aspx to apply. Applicants should call the house of their choice to see if there are any vacancies or check the vacancies listing online. If there are vacancies, an interview will be scheduled. The interview with an applicant involves all current residents of a house. Current residents decide whether to accept new residents on a case-by-case basis. Eighty percent of the house residents must vote to accept the applicant as a roommate.</p>	<p>Men and women with substance use disorder. One house in Durham is for women and their children.</p> <p>Some Oxford Houses are wheelchair accessible. Call each house for more information.</p> 	<p>There are currently 14 Oxford houses in Durham County with an average of 6-9 occupants per house - 12 houses are for men only, 1 house is for women only, and 1 house is for women and their children. More houses may be added in the future.</p> <p>There is no limit on length of stay as long as rules are followed.</p>	<p>Must be substance free upon joining the household; Must participate in a 12-step recovery program; Any resident who has a recurrence of use of alcohol and/or illicit drugs must be immediately expelled; Must be willing to accept the house rules and expectations; Must be able to pay their share of the expenses; Each house may have additional criteria and restrictions on certain criminal backgrounds; Residents are not required to sign a lease; they are only required to fill out an application.</p>	<p>Individuals taking any type of prescribed MOUD are accepted. Individuals must be part of a program for monitoring.</p>	<p>Houses are financially self-supporting; Members split house expenses equally which average \$130-\$170 per person per week; There is a non-refundable entrance fee of \$100-\$200; Some funding assistance is available for the entrance fee and first month's rent</p>
Triangle Residential Options for Substance Abusers (TROSA)	<p>TROSA is a multi-year, peer-driven, residential program for people in recovery from substance use disorder. TROSA gives men and women the tools and support they need to be productive, recovering individuals. TROSA employs professional and clinical staff; on-site services for residents' primary health care needs and co-occurring mental health needs; and post-program services for graduates. Services are provided to every resident free of charge and include: housing, food, clothing, personal care items, counseling/mentoring, work-based vocational training, education, and continuing care. TROSA also helps participants find a job and housing for post-graduation life. Individuals begin the program living in a dormitory and then move to smaller apartments and houses as the program progresses.</p>	<p>1820 James Street Durham, NC 27707 (919) 419-1059 https://trosainc.org</p> <p>The first stage of the application process is to call to set up an interview. Ask for the TROSA Admissions Department. Currently all interviews are conducted via phone. The interview process typically lasts around forty-five minutes.</p> <p>If the applicant is incarcerated, they should begin the interview process by writing a letter of interest and mail it to the TROSA Admissions Department at the address listed above.</p>	<p>Men and women with substance use disorder</p> <p>This residence is wheelchair accessible.</p> 	<p>TROSA operates several dormitories, apartment buildings and individual houses. There are currently 400-500 people in the program.</p> <p>The program is multi-year.</p>	<p>18 years or older with substance use disorder; Able to participate in therapeutic program; No outstanding legal issues; Complete interview process; Submit to drug screen and breathalyzer upon admission; Desire a multi-year residential treatment program; Must be willing to work; Must not have a criminal record of sex offense or arson; Pregnant women are not accepted; Residents are not required to sign a lease.</p>	<p>Individuals taking methadone or medications containing buprenorphine (Suboxone, Subutex) are NOT accepted.</p> <p>Individuals taking naltrexone are accepted.</p>	<p>No cost</p>
Just a Clean House, Inc.	<p>Just A Clean House, Inc. (JACH) is a non-profit organization that provides a strong living foundation for individuals in recovery from substance use disorder. Houses are low-barrier and offer a safe and supportive environment. JACH helps people in recovery network with each other while practicing a 12-step program. Individuals are encouraged to increase the unity in the house by believing that a loving Higher Power is available and can best be accessed by developing a "house conscience."</p>	<p>PO Box 15218 Durham, NC 27704 (919) 381-9494 or (919) 560-7455 https://www.justacleanhouse.com</p> <p>To apply, call (919) 381-9494 for a phone interview.</p>	<p>Men with substance use disorder</p> <p>Some of the 13 houses are wheelchair accessible.</p> 	<p>There are 13 houses which currently house a total of 70 individuals.</p> <p>Housing can be long-term; there is no limit on length of stay.</p>	<p>Must be able to live independently; 7 days substance free; 2 forms of valid ID; Verifiable income; Exceptions to these criteria can be made on individual basis; Must not have a criminal record of sex offense; Residents are not required to sign a lease.</p>	<p>Individuals taking any type of prescribed MOUD are accepted.</p>	<p>\$115-140 per week; Varies by location; Based on if it is a single or shared room; Contact for more information</p>

Magnolia's Recovery and Transitional House	Magnolia's Recovery and Transitional House was founded on Christian ethics and beliefs with the purpose of providing a safe and structured environment for women over the age of 18 who are in recovery or in transition. In addition to women with a history of substance use, we also accept women who are in transition and getting re-established from homelessness, jail, or prison. It uses a therapeutic approach specific to individual needs and caters to the unique needs of those that are transitioning back into the community. The goal is to enable personal growth, provide a foundation of development for long term recovery, and improve the quality of life while becoming productive members of society. Residents are offered the opportunity to engage with community partners that provide substance use counseling, medication management, behavioral health services, financial counseling, and career services. There is a resource center inside the house and transportation to the grocery store is provided.	1110 Red Oak Avenue Durham, NC 27707 To apply, call Tanisha Adams at (919) 308-1332 or Chrystal Williams at (919) 452-5356 or send an email to: magnoliasrecoveryhouse@gmail.com All participants must go through an interview process.	Women with substance use disorder This residence is not wheelchair accessible.	One house with 24 beds The length of stay is on a case-by-case basis.	A urine test is required upon entry and individuals must be substance free; Participants must be actively engaged with mental/behavioral health services and receiving substance use treatment; Individuals with criminal records, including registered sex offenders, are accepted; Pregnant women are accepted on a case-by-case basis. Residents are not required to sign a lease.	Individuals taking any type of prescribed MOUD are accepted.	\$800/month or \$200/week
Community Choices - CASCADE at Durham	The mission of Community Choices (also called Community Alternatives) is to provide responsive, person-centered services to improve the quality of life for individuals and families. Its CASCADE at Durham program provides transitional housing and substance use treatment for pregnant women and women with children under 11 years of age. CASCADE provides services that promote the physical and mental well-being of mothers and their children as a family unit. The goal is to help women become drug/alcohol free so they can deliver healthy babies and parent successfully. Services provided include case management, intensive outpatient treatment, prenatal care, clothing, food, childcare, transportation, parenting classes, job skills training, and aftercare.	3325 Chapel Hill Boulevard Suite 250 Durham, NC 27707 (919) 490-6900 https://comalt.org/substance-abuse-1 Call to apply. Housing Assistance Programs and Other Housing Resources:

AGENCY NAME	AGENCY/SERVICE DESCRIPTION	WEBSITE/PHONE NUMBER
Entry Point Durham	Entry Point Durham is a trained team that helps people facing homelessness resolve their housing crises. The team connects people to resources, such as shelters, health care services, transportation, and other resources. To access Urban Ministries of Durham or the Families Moving Forward shelters, clients must first contact Entry Point Durham.	https://www.durhamnc.gov/4990/Entry-Point (984) 287-8313
Durham Housing Authority	Durham Housing Authority (DHA) provides decent, affordable housing for eligible low-income families, people with disabilities, and the elderly through 1,201 Public Housing units. It also manages 3,078 Housing Choice Vouchers (HCV) for area landlords. DHA assists families with low-cost permanent housing, resident support services and opportunities to enroll in job training, the family self-sufficiency program, and more. Through the Housing Choice Voucher program, formerly known as Section 8, qualified applicants can secure housing in the private market.	http://www.durhamhousingauthority.org (919) 683-1551
Durham County Social Services Aging and Adult Services	The Durham County Social Services Division of Aging and Adult Services offers a variety of in-home and community-based programs and services to seniors, adults with disabilities, and their families. Services include in-home care and assistance, crisis services, senior placement, rental assistance, and low-income homeowner's relief.	https://www.dconc.gov/county-departments/departments-f-z/social-services/aging-and-adult-services (919) 560-0300
Resources for Human Development (RHD)	RHD of North Carolina provides supportive housing and services for adults with diagnoses of intellectual and developmental disabilities, serious and persistent mental illness, and dual diagnosis of mental illness and developmental disabilities. Individuals live in a variety of settings including individual apartments, shared apartments, and licensed group homes. Supervision is provided according to the level of need, from 24 hours to 14 hours per day.	https://www.rhd.org/nc/rhd-north-carolina-programs (919) 755-1335
Project Access - Durham Homeless Care Transitions	Project Access provides case consultations, medical respite (short-term housing), and care management to homeless persons in Durham with acute or chronic medical issues who need connection to health care, housing, and other services. It accepts referrals from local clinics, hospitals or health systems, crisis centers, and emergency and jail medical staff.	https://projectaccessdurham.org/projects/dhct (919) 213.4077
Durham Crisis Response Center	Durham Crisis Response Center (DCRC) provides comprehensive shelter and support services to survivors of domestic, sexual, and family violence, and human trafficking and their families, in the Durham area. DCRC's services includes a 24-Hour Help Line; emergency shelter; crisis intervention; information and referrals for job training, housing, and childcare; counseling and support groups; legal advocacy and assistance; hospital accompaniment; and community education. The DCRC shelter offers adults and children fleeing violent and dangerous situations a safe and supportive environment.	https://thedcrc.org Help Line: (919) 403-6562 General Questions (919) 403-9425

Project FAM at the LGBTQ Center of Durham	Project FAM brings three programming areas together - Gender Resources, Advocacy, and Support Programs (GRASP), housing and therapeutic services, and services for LGBTQ+ survivors of sexual and domestic violence. All services are free of cost and accessible to LGBTQ+ folks ages 18 and older. The focus of housing and therapy services under Project FAM is to provide housing navigation, financial assistance, and mental health resources to LGBTQ+ adults in the Triangle in order to alleviate economic and social barriers to achieving stability and independence.	https://lgbtqcenterofdurham.org/program/project-fam (919) 827-1436
UNC Horizons Program	UNC Horizons is a substance use disorder treatment and residential program for women, including those who are pregnant, parenting, and/or whose lives have been touched by abuse and violence. There are sites in Orange and Wake Counties. The program offers a range of residential and outpatient services including prenatal, post-partum and family planning care, psychiatric services, individual and group counseling, and medication to treat opioid use disorder. It also assists with finding employment, creating a budget and managing finances, as well as creating healthy relationships and healing from abuse and violence.	https://www.med.unc.edu/obgyn/horizons (800) 862-4050
Affordable Community Residence Association (ACRA)	ACRA provides diverse housing options, compassionate care, and access to collaborative support services for persons living with disabilities and HIV/AIDS. ACRA operates two houses: Blevins Too and Fitts-Powell Apartments.	https://www.acradurham.org (919) 973-4369
Housing Opportunities for Persons with AIDS (HOPWA)	HOPWA is a federally funded U.S. Department of Housing and Urban Development (HUD) program that offers a variety of housing solutions and support services for low-income persons living with HIV/AIDS. The Durham EMSA HOPWA program supports a variety of projects including: Tenant-Based Rental Assistance (TBRA), Permanent Housing Placement (PHP) Services; Short-Term Assistance for Rent, Mortgages, and Utilities (STRMU); and Supportive Services to include case management for low-income households living with HIV/AIDS.	https://www.durhamnc.gov/5011/Housing-Opportunities-for-Persons-with-A (919) 560-7280
North Carolina Housing Finance Agency	The North Carolina Housing Finance Agency provides safe, affordable housing opportunities to enhance the quality of life of North Carolinians. The agency offers low-cost mortgages and down payment assistance for qualified home buyers. It finances affordable homes and apartments, the development of housing for people with special needs, and the repair and rehabilitation of substandard owner-occupied homes. The agency also provides foreclosure prevention assistance and access to housing counseling services, and it administers rental assistance contracts.	https://www.nchfa.com (919) 877-5700
Habitat for Humanity of Durham	Durham Habitat builds and sells affordable homes in Durham. It partners with local families to provide access to homeownership opportunities. Durham Habitat also repairs homes for low-income homeowners in Durham. This program addresses health and safety concerns for homeowners who otherwise are not able to afford the necessary work.	https://www.durhamhabitat.org (919) 682-0516
Alliance Health	Alliance Health offers several programs aimed at assisting clients with access to decent, safe, affordable housing and caring supportive services. The Independent Living Initiative (ILI) Program assists applicants who are behind on their rent, homeless, facing possible eviction or utility disconnection, or need start-up funds for newly acquired housing. Applicants must have severe and persistent mental illness (SPMI), severe mental illness (SMI), a developmental disability and/or a substance use diagnosis. The Restoring Hope Initiative is designed to reduce homelessness by providing long-term (six to nine months) financial and housing assistance to individuals transitioning from psychiatric treatment facilities, jails, prisons, and unstable living environments. Transitions to Community Living (TCL) provides long-term housing, community-based services, supported employment, and community integration to eligible adults living with serious mental illnesses.	https://www.alliancehealthplan.org/programs/housing (800) 510-9132
Community Linkages to Care (CLC) Peer Support Program	The CLC Peer Support Program is a joint effort between the Durham County Dept of Public Health and RI's Durham Recovery Response Center (DRRC), a behavioral health facility in Durham. Peer support services are free and open to any patient with any type of substance use issues, including opioid and/or alcohol use. CLC peer support specialists can connect clients to recovery housing, counseling, harm reduction, MOUD, and other resources.	https://dcpublichealth.org/substanceuse (919) 560-7305
North Carolina Housing Finance Agency	The North Carolina Housing Finance Agency provides safe, affordable housing opportunities to enhance the quality of life of North Carolinians. The agency offers low-cost mortgages and down payment assistance for qualified home buyers. It finances affordable homes and apartments, the development of housing for people with special needs, and the repair and rehabilitation of substandard owner-occupied homes. The agency also provides foreclosure prevention assistance and access to housing counseling services, and it administers rental assistance contracts.	https://www.nchfa.com (919) 877-5700
Latino Community Development Center (LCDC)	The LCDC is a non-profit organization operated by the Latino Community Credit Union. It promotes financial literacy, affordable housing, and economic development for low-income Latino and other immigrant communities in North Carolina.	https://latinoccu.org/about-us/lcdc (919) 595 -1800

Housing and Urban Development (HUD) Resource Locator	This searchable database allows users to find local affordable housing opportunities, public housing, special needs housing, public housing, and homeless resources for any location in the United States.	https://resources.hud.gov
NC Housing Search	This searchable database allows users to find North Carolina housing, from market-rate to affordable rentals, accessible units, housing for seniors and veterans, and more.	https://www.nchousingsearch.org (877) 428-8844
Durham Network of Care	This searchable resource directory allows users to locate a variety of services and supports throughout the Durham community, including housing, mental and behavioral health care, employment and financial assistance, criminal justice resources, disability resources, childcare, and more.	https://durham.nc.networkofcare.org/mh
NCCARE360	NCCARE360 connects individuals to a variety of local services and supports throughout North Carolina. There is a searchable database and a form to request help. NCCARE360 also helps providers electronically connect those with identified needs to community resources and allow for feedback and follow up.	https://nccare360.org Dial 211

*Medication for Opioid Use Disorder (MOUD), sometimes known as medication-assisted treatment (MAT), includes methadone and buprenorphine containing medications such as Suboxone. MOUD is an important evidence-based treatment option for individuals with Opioid Use Disorder. Agencies that do NOT accept individuals taking MOUD are highlighted with blue text.

**The LGBTQ Center of Durham has vetted this housing option and designated it as safe and affirming for LGBTQ+ individuals.
