

Extended Immunization Clinic Hours

At the Durham County
Department of Public Health

**Open until 6:00PM, second Tuesday
of each month**

We will be open until 6:00PM on the second Tuesday of each month to give you extra time to get your family up to date on your vaccines.

Vaccines for COVID-19, flu, measles, and other routine childhood vaccinations available for babies, children, and adults.

**Durham County Department
of Public Health**

414 E. Main Street
Durham, NC 27701
