**GOAL 3 SAFE COMMUNITY:** Partner with stakeholders to prevent and address unsafe conditions, protect life and property, respond to emergencies and ensure accessible and fair justice.

## PROGRAM DESCRIPTION

The Law Enforcement Officers' Trust Fund was established in July 1987 for the purpose of providing full funding for the law enforcement officers' separation allowance mandated by the North Carolina General Assembly in July 1986. In addition to regular retirement benefits budgeted within the General Fund, the County also must pay a special monthly separation allowance to retired law enforcement officers who have completed 30 or more years of creditable service. This also includes those persons 55 years of age who have completed 5 or more years of creditable service. The annual allowance is 0.85% of base compensation at the time of retirement times the number of years of service. The officer is eligible to receive this benefit until age 62.
