Notice of Public Comment – Changes to Fee Schedule

### NOTIFICATION

#### **Notice of Public Comment – Changes to Fee Schedule:**

Durham County Utilities has performed a review of current development fees as it has been 12-years since the last increase. Upon review, it was found the fees being issued were not in line with surrounding jurisdictions. The proposed changes in the fee schedule closely match other jurisdictions and will allow for additional services to be provided.

Please see the attached Proposed Fee Schedule and submit any comments or questions to [utilities@dconc.gov](mailto:utilities@dconc.gov) no later than February 17, 2020. In addition to written feedback, anyone wishing to make public comments can reference the Commissioner Meetings web-page at <https://www.dconc.gov/government/departments-a-e/board-of-commissioners/commissioner-meetings> for instructions. This item is currently planned for the March 9, 2020 Board of County Commissioners Agenda.
