NOTIFICATION

Preliminary County Sewer Review Fee

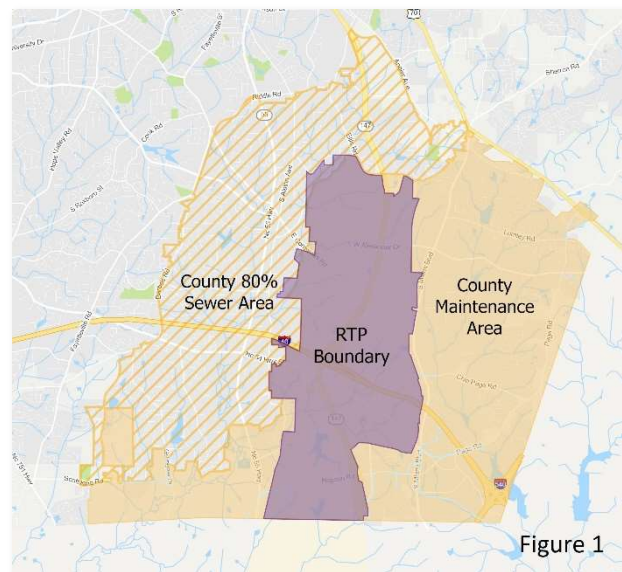

The purpose of this memo is to advise that Durham County adopted a Preliminary County Sewer Review Fee which became effective in July of 2020 and will be assessed during the Site Plan Review process. Durham County will begin assessing and collecting these fees on all submittals received beginning the week of October 17, 2021.

What projects will be assessed the Preliminary County Sewer Review Fee?

All projects that drain to the Durham County Triangle Wastewater Treatment Plant (TWWTP) will be required to pay this fee. See all hatched areas identified in Figure 1.

When does this fee get paid?

Durham County Utilities will notify the applicant of the amount of fee required to pay as part of the first round of Site Plan review comments, if applicable. This fee will need to be paid prior to Durham County Utilities approving the Site Plan.

How does this fee get paid?

Fees can be paid by check delivered to the Durham County Utilities Division Office (address above). Or for added convenience, Durham County Utilities has an online payment system for customers and the development community to make payments online by credit card, debit card, or e-check. To make an online payment, simply go to our website at www.dconc.gov/utilities/development and press "Pay Online" to access the payment portal. On the portal, select Development Review/Inspection Fees as the payment type. Please note there is a 2.95% transaction fee for debit/credit card or a \$1.00 transaction fee for e-check.
