Re: Letter of Financial Commitment

Dear Administrator Bose,

On behalf of GoTriangle, I am pleased to provide this letter documenting our organization's financial commitment to the **Durham Rail-crossing Engagement Planning And Innovative Revitalization (Durham REPAIR)** project.

Durham REPAIR is seeking \$1,250,000 in FY 2022 RCE grant funding, matched by \$305,000 from GoTriangle.

GoTriangle is the state-designated Tax District Administrator of the County Transit Plans for Wake, Durham, and Orange counties. The GoTriangle Board is charged with adopting budgets for each of the plans, among other financial responsibilities associated with the transit plans.

On September 28, 2022, the GoTriangle Board of Trustees voted to amend the FY22 budget for the Durham Transit Plan to allocate the local match from the Durham Transit Plan revenues for this Durham REPAIR Study grant application. These funds do not have a sunset date and will be available for use by Durham County to match the FY 2022 RCE grant award.

Sincerely,

  
Sandra Freeman (Oct 3, 2022 12:29 EDT)
