DURHAM NEIGHBORHOOD COLLEGE 2024

Durham Community Safety Department (DCSD)

Presented by Leah Whitehead

Community Partnerships Coordinator

Community Safety Mission & Vision

Purpose Statement: To envision and implement lasting structural change in public safety that centers the most marginalized amongst us.

Objective #1: Reduce harm and extend care to neighbors met in crisis response.

Objective #2: Assist neighbors in realizing their fundamental human needs after crisis response.

Objective #3: Develop a culture where staff feel purpose in their roles, supported in their wellbeing, and confident that their work is making a lasting impact on systems of care.

Objective #4: Contribute to an emerging national community that is learning about and shaping systems of care and justice.

Program description:

CRTs provide rapid, trauma-informed care for 911 calls for service involving non-violent behavioral and mental health needs and quality of life concerns by dispatching teams of unarmed, skilled and compassionate staff (Licensed Clinician, Peer Support Specialist, and EMT) as first responders.

Goal:

Send the right response based on people's needs and, by doing so, reduce unnecessary law enforcement encounters and emergency room use.

Calls must not meet these exclusion criteria:

The person is in possession of a weapon; A person is under the influence of alcohol or drugs to the extent requiring a medical intervention (e.g. overdose); A person at imminent risk of hurting others; High priority calls that potentially pose immediate threat to life (Priority P)

Launched June 27, 2022

Co-Response (COR)

Launched September 27, 2022

Program description:

Pairs a HEART clinician with a CIT-trained officer to respond to the highest risk calls involving mental and behavioral health needs.

Goals:

- Respond to crisis calls that are violent in nature by either the involvement of a weapon or a person that is prone to violence.
- Respond to Involuntary Commitments calls for service and provide transport to a mental health facility.
- Reevaluate calls for service that would be appropriate for unarmed responses in the future.

- Office of Survivor Care
- Involuntary Commitment (IVC) Unit
- Familiar Neighbors Pilot

Community Safety Frequently Asked Questions

- 1. How do you keep unarmed responders safe? Is it dangerous to send unarmed responders like social workers to calls that were formerly responded to by police?
- 2. Do I have to go through 9-1-1 to get a HEART response? Do you think this might change one day?
- **3**. Why didn't HEART come when I called?

Community Safety Opportunities for Engagement

- DCSD staff proactively engage Durham residents throughout the year by participating in Community events and by encouraging our responders to visit businesses, non-profits and other locations to share info about HEART while on shift.
- Residents can request DCSD attend an event, speak with their organization, or meet with their neighborhood. To do so, please email leah.whitehead@durhamnc.gov
- All residents are welcome to visit our office in City Hall, suite 1500, Monday Friday.
- There are not currently volunteer opportunities within our department, but feel free to reach out to be put on an interest list for future opportunities
